

PROF. DR. GUY R. MCPHERSON

PROFESSOR EMERITUS OF NATURAL RESOURCES AND THE ENVIRONMENT AT THE UNIVERSITY OF ARIZONA

SPEAKING TOUR EUROPE 2015

ABRUPT CLIMATE CHANGE

AND PURSUING A LIFE OF EXCELLENCE

This presentation presents evidence regarding abrupt climate change and poses a few questions for consideration:

Shall we respond to anthropogenic climate change? If so, how?

What tools can be employed by society to positively alter the future?

What role do individuals play?

How shall we live in light of this information?
